New Delhi 110001

**Subject:- Scheme of Counselling, Retraining and Redeployment for the separated employees of CPSEs.**

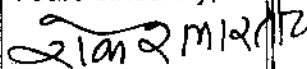

Sir,

The Scheme of Counselling, Retraining and Redeployment (CRR) for the separated employees of CPSEs is under implementation by this Department since 2001-02. Under the Scheme, separated employees of CPSEs are imparted short duration training to equip them with skill/expertise which, in turn, would enable them to take up, mainly, self-employment activities. As you are aware, the existing CRR Scheme has been modified during 11<sup>th</sup> Five Year Plan and revised guidelines have already been circulated.

2. CPSEs have larger role and responsibility in dissemination of data of VRS optees to nodal agencies. As per CRR guidelines, CPSEs who have introduced VRS scheme shall identify unit-wise list of employees who are to be relieved on VRS and they will prepare release schedule for separated employees and inform nodal agencies to reduce time gap between survey and separation. MITCON Consultancy Limited, 1<sup>st</sup> Floor, Kubera Chambers, Shivajinagar, Pune-411005 is a nodal agency under CRR Scheme in Maharashtra and is currently proposing to conduct training for VRS optees in their Employment Assistance Centre (EAC) situated in New Delhi who have taken VRS from Cement Corporation of India Limited to start CRR activities.

3. You are requested to send list of VRS optees to MITCON Consultancy Limited, Pune under intimation to DPE, with complete details of the VRS optees i.e. Name, full address, Post last held, date of release under VRS, etc.

Yours sincerely,

  
(Rakesh Bhartiya)

Director
